

## Example Self Constructed Assessment:

Paper Topic: Jewish Ghettos and Japanese Internment Camps

Due Date: \_\_\_\_\_

In 2-4 pages, compare and contrast the Jewish ghettos in Europe to the Japanese internment camps in America during WWII. You must provide at least **three examples** of how they are similar and **three examples** of how they differ. Be sure to explain the political and cultural reasons behind their existence; how were they put into effect, the living conditions, and what the outcomes of these facilities were. Support your argument with at least **two primary** and **two secondary sources**, these must be properly cited in your paper using MLA formatting.

### Format Required for Papers:

- One inch margins
- Double-spaced typed
- 12-point Times New Roman font
- Include an introduction and conclusion
- Bibliography on a separate page (not counted towards the total page number) cited in MLA format

This assignment will be worth 100 points. Your response will be graded on its accuracy of content, examples presented, use of primary and secondary sources, ability to meet length requirements, paper format and grammar. See Rubric for more details.

A reminder that students who are caught plagiarizing will receive a zero on the assignment.
